

# WEST SHORE PARKS & RECREATION

## HALLOWEEN HOWL

at Juan de Fuca Recreation Centre

This spookatacular event entertained a over 75 little ghosts and goblins. The Galleon Room and Lookout Lounge at Juan de Fuca Recreation Centre were transformed into a Halloween masquerade for preschoolers.

Kids were treated to a wild assortment of stations to play, create and trick or treat in a fun safe environment. Stations included Haunting the House, Pumpkin Bowling, Witches Cauldron Toss, Pin the Heart on the Skeleton, Spider Walk, Cookie Decorating, Crafty Critters, and more. A costume parade was followed by the grand finale, Auntie Winnie & Friends who entertained the kids with music, puppets, and tricks. Halloween has never been so much fun!

Thank you to the volunteers from our Recreation Leadership group, to our amazing staff, Thrifty Foods for providing us with a gift certificate to supply some of the treats, Dan's Farm for providing pumpkins at a reduced cost so each child could take home their very own and London Drugs for proving us with trick or treat bags.

*See you again next year!*

Auntie Winnie entertains the kids.

A pumped up Pumkin.

Superheroes there to save the day, and cookie decorating princesses.

A Toy Story Family

Elmo and the Count make a great team
