

WSPR Pottery Studio

Open Studio Time and Drop-in Pottery Information

We are excited to welcome you to the pottery studio. In preparation for your first session, please review the following to get an idea of what your studio time will entail:

Arrival

- The pottery studio is located at 2805 Carlow Road, Langford BC.
- You will enter the pottery studio via the exterior door (the far left door from the main entrance to Centennial Centre).
- Masks indoors no required; masks indoors recommended for those 12 and older who have not had 2 doses of vaccine; this will be on the honour system and personal responsibility. Dr. Henry stated that it is not appropriate to have proof of vaccine in our province.
- Please only come to the program if you are feeling well.
- Please wash or sanitize your hands upon entering the pottery studio.

During your Open Studio Time Session

- Please take a spray bottle with approved disinfectant for the duration of your session.
 - Clean equipment and surfaces after use including; table surfaces, stools, shelving, and shared equipment such as pottery wheels, ware boards, molds, water buckets and tools.
- Please bring your own equipment (sponges (*including a large cleaning sponge for wiping down surfaces*), aprons, tools, molds, specific supplies, etc.).
- You will be assigned a cubby for use during your registered Open Studio Time. Once your session ends, you must clear out your cubby on or before your last day (unless you are registered in the next session). Please ensure all your personal items, such as tools, clay, etc are kept in your designated cubby.
- Please adhere to the signage in the studio for where to put your items in progress, to be bisque fired and to be glaze fired. Items not on designated shelving may be disposed of.
- Please do not leave any items in the communal area or storage room or donate any items to the studio without prior approval from Esther Drone or Lisa Lehive.
- Clay is to be purchased from reception staff (by calling or visiting them in person at the main JDF site). Please PRINT and bring your receipt to the pottery studio and give it to the volunteer prior to retrieving your clay.
- Please do not move wheels or tables.

Finishing up & Leaving the Studio

- Please leave enough time prior the end of your session to clean your work station, shared tools and equipment, and put all items away. Please ensure you leave the studio on time.
- Please put your spray bottle back into the basket as you exit the studio.

Just a reminder that our studio is volunteer run, please be patient and considerate of others and our volunteers.

Thank you for your attention to these details.
